Experience

Church of Jesuschrist of latter day saints | Oaxaca,Mexico

Missionary Service | 11/2020 - 12/2022

During my time as a missionary I worked in many responsibilities, such as financial administrator for the Oaxaca Mexico Mission, the things I learned where how to administrate money for 200 missionaries, keep records of expenses and House contracts.

Other responsibilities constitute talking with different people from different levels and different levels of interest, I learned efficient ways to teach and communicate my message, answering to questions and keep the optimism on a team.
